We have dual citizenship.	As “born again” children of God we are to be blessed at Christ’s return.	As “obedient” children of God we are to be a blessing now.	As “aliens” we are to follow Christ in submitting to human institutions.	As “aliens” we will suffer as Christ suffered.
<i>We are chosen out of the world by God and placed back in the world to live as aliens.</i>	<i>We are presently having our faith tested and proven as we patiently wait for our blessing.</i>	<i>We are to turn from our former family and bond with our new family.</i>	<i>We are to show the world our hope by giving up freedom as we submit in service to others.</i>	We must prepare to respond to the special opportunities that suffering brings.
